Our Mission:

To promote long-term economic development in the Northern Tier of Pennsylvania through intelligent forest management, careful expansion of secondary wood processing, improved manufacturing methods, regional hardwood promotion, and education.

What We Do:

- Provide a voice on governmental issues
- Provide public outreach, training & educational opportunities
- Promote responsible wood utilization
- Encourage sustainable forest management which produces continuous crops of timber, while maintaining water quality & wildlife habitat
- Advocate for an equitable solution of township issues, road bonding & local delivery for loggers & mills
