Our Mission:

To promote long-term economic development in the Northern Tier of Pennsylvania through intelligent forest management, careful expansion of secondary wood processing, improved manufacturing methods, regional hardwood promotion, and education.

Member Benefits

- The NTHA will reimburse members fifty percent toward the cost of Sustainable Forestry Initiative (SFI) approved courses they attend with proof of completion.
- Your company will be promoted on NTHA's website, Facebook page, and Newsletter.
- NTHA can help members advertise job openings, events, and announcements.
- Members receive our bi-monthly Newsletter, keeping you up to date on upcoming programs and news in the wood industry in the Northern Tier of PA.
- Your membership enables us to provide financial and educational support to local events and programs that help educate our youth and the public about sustainable forestry and the forest product industry.
- In addition to scholarships for post-secondary students in forestry, NTHA offers grants to support members' expansion efforts and the region's community organizations interested in educating the public about the importance of the wood industry to the Northern Tier.

What We Do

- Provide a voice on governmental issues
- Provide public outreach, training & educational opportunities
- Promote responsible wood utilization
- Encourage sustainable forest management which produces continuous crops of timber, while maintaining water quality & wildlife habitat
- Advocate for an equitable solution of township issues, road bonding & local delivery for loggers & mills
