

NHLA in PA

June 10 — August 2, 2024

Pennsylvania College of Technology  
Earth Science Campus

203 Allenwood Camp Lane, Montgomery, PA 17752

## Class 207 of the Inspector Training School

Roman Matyushchenko, ITS Instructor

## Don't miss this opportunity!

Via the Pennsylvania Department of Agriculture's Specialty Crop Grant Block Program, a 50% reimbursement in enrollment fees paid by or on behalf of each Pennsylvania based participant will be issued upon successful program completion.

In addition, independent full scholarships may be available to qualified individuals. Please contact Geoff Webb, Dean of NHLA Inspector Training School at [g.webb@nhla.com](mailto:g.webb@nhla.com) to learn more.

REGISTER HERE: [NHLA Registration](#)

Lodging information will be provided via the registration link.

Questions? Contact, Stephanie Phillips –Taggart Executive Director, Keystone Wood Products Association at [steph@keystonewoodpa.org](mailto:steph@keystonewoodpa.org).

All prospective participants must meet general NHLA admission requirements. More information about NHLA's 8 week Inspector Training Program can be found [here](#).

This unique Pennsylvania opportunity is made possible by funds provided by the Pennsylvania Department of Agriculture's Specialty Crop Grant Block Program, secured through a collaborative effort of the Hardwoods Development Council, Allegheny Hardwood Utilization Group, Keystone Wood Products Association, Northern Tier Hardwood Association, Pennsylvania Forest Products Association, the Pennsylvania Forestry Association, Penn-York Lumberman's Club, and the National Hardwood Lumber Association.
